When I die  
If you need to weep  
Cry for someone  
Walking the street beside you

And when you need me  
Put your arm around others  
And give them what you need to give me

You can love me most by letting  
Hands touch hands and  
Souls touch souls

You can love me most by  
Sharing your simchas and  
Multiplying your mitzvot

You can love me most by  
Letting me live in your deeds  
And not on your mind

And when you say Kaddish for me  
Remember what our tradition teaches:  
Love doesn't die  
People do

So when all that's left of me is love  
Give me away.
